

FREE SEMINAR

CRYPTO/ BLOCKCHAINS • ARTIFICIAL INTELLIGENCE

If you are curious about the growth of Bitcoin, Blockchains and how Artificial Intelligence plays an integral role in investing, I am offering free meetings to share my knowledge.

Blockchain investing focuses on advance digital technologies such as Bitcoin, Robinhood, Ethereum, Coinbase, and others.

Investing in AI means learning about infrastructure companies, Chips that power AI and AI operating Systems. We will discuss AI models you can use such as ChatGPT and Claude.

I am happy to share my knowledge and to help inform others. Class size is limited to 4 people and will be held at my office at W. 44th St. between 5th Ave. and 6th Ave in Manhattan. I am willing to travel to your location if there are 10 or more people interested in meeting.

***Please note, I do not provide Investment advice or make recommendations of where to invest your assets.**
